

Profound Gentlemen is entering into their fifth year of programming and are seeking to grow their Board of Directors with passionate, committed, and authentic community leaders. We are looking for the following skill sets:

**Lawyer & Policy Experts:** A community leader who can lead in matters of policy and governance

**Finance & Corporate Experts:** A community leader who can lead on matters of financial modeling, financial forecasting, and accounting

**Community Experts:** A community leader who is well versed in the Charlotte Community, Opportunity Task Force, and local neighborhood initiatives

**Culture Building Experts:** A community leader who can provide thought leadership on optimal organization structure, performance review, and leadership development

**Fundraising Experts:** A community leader who can utilize their professional and personal capital to help PG build their donor base

**Marketing/Branding Experts:** A community leader who can support PG in building and sustaining a national brand

**Racial Literacy Expert:** A community leader who is well versed in leading and facilitating conversations and making decisions with a racial literacy lens
